Portfolio highlights

Deep-tech outcomes: Covert Defenses (Purdue nuclear-engineering spin-out) won about \$2.57M in federal SBIR awards (DOE, DHS, US Air Force) and first place at the 2024 Venture Club of Indiana Innovation Showcase; rScan committed to 152 Indiana jobs backed by an IEDC tax credit of up to \$1.2M.

Ecosystem reach: alumni span AI, agbioscience, IoT cybersecurity, healthtech and space; programs ran with the Indiana Economic Development Corporation (IEDC) and the Region of Emilia-Romagna (EU co-funded).

Figures as of June 2026. Capital and award figures are PitchBook / sbir.gov / public-source verifiable where stated; program metrics from signed gBETA leadership letters. Contact: davide-trailblazing.github.io/davide-portfolio
